- Real professional drag performance, selectable 4 positions pan & tilt drag including zero position, offer operators the silky smooth movement and precise framing.
- Selectable 8 position counterbalance system including zero position for payloads between 0-13 kg/ 0-28.6 lbs.
- With levelling bubble.
- Thanks to zero position, the head is able to support small DSLR configuration and fully configured HDV cameras and cameras with light ENG configuration.
- 100 mm ball levelling.
- Equipped with mini Euro plate quick release system, which enables faster setup of camera.
